

Frequently Asked Questions

Maramec Spring Park has different offices which offer specific services. The park is owned and operated by The James Foundation. The James Foundation takes care of the park, including the store, campgrounds, nature center and museums. The hatchery is operated by the Department of Conservation which manages the fisheries in the park.

Where do I go and how do I get there?

If you need to purchase a fishing permit, daily tag, trout permit, fishing equipment, camping supplies, groceries, enjoy a meal in the restaurant, or reserve a campsite call (573) 265-7387 or visit the park store located at the entrance to the park.

To reserve an open shelter or get general information about the park call the James Foundation office at (573) 265 -7124.

To be sure of fishing regulations, report a fishing violation, schedule a hatchery tour, see the folks at the Hatchery office located at the entrance to the park next to the park store. The Hatchery office can be reached at (573) 265-7801.

To get information on park programs, get answers about the historical resources in the park, or to schedule special programs for groups, visit the Maramec Museum located by the spring. The museum office can be reached at (573) 265-3527.

Whatever the need, The James Foundation and Department of Conservation staff are all here to serve you and are available to help in any way to make your visit safe and enjoyable.
